

Buttercup Room

Our Curriculum aims to support the learning of all children at Curious Learners Childcare. Our curriculum is our aspiration for all children, however we recognise that all children develop at their own pace and some children may need more support than others. This means that our curriculum is adaptable and will be changed to meet the individual needs of each unique child.

At Curious Learners Childcare we believe that:

- Every child should be listened to.
- Children should be given the opportunities to try and make their own decisions.
- Children should be able to make mistakes and feel emotionally safe to do this.
- Staff who are caring for the children, should be good role-models and educators.
- We will follow the children's lead and interest.
- Our children will be encouraged to make meaningful progress.
